

SEIZE THE MOMENT

Have your say in shaping this transformative era,
of groundbreaking research into respiratory diseases.

Poster Presentation:

- Display your work, present to the audience, and engage in Q&A during dedicated poster sessions
- All presenters will receive personalized feedback from the Scientific Committee, offering valuable guidance for advancing your career in research and as future conference faculty

Details on session schedules will be shared soon

**LATE BREAKING
ABSTRACT WINDOW OPEN FROM
6 JANUARY TO 13 JANUARY 2025**
